

Pack 414 Photo Release Form

Dear Parent,

Pack 414 would like to take or use previously taken photographs of children participating in all activities of our pack. This photograph may appear in our website.

Before using any photograph of your child either by himself or in a group activity, we need your permission. Please answer questions 1 below by circling a Yes or a No, then sign and date the form where shown. Please return the form to Ann Lindsey.

1. May we use your child's photograph in Pack 414 website? Yes / No

Even though Pack 414 will use a secure password protected area of its website to store our pack pictures, the website can be viewed throughout the world, not just in the United States where US law applies. If you elect not to have your child photograph on our website, but the photograph is of a group shot then your child face will be masked to prevent recognition.

This form is valid for 5 years from the date of signing. Pack 414 will seek renewed consent if the photograph(s) are to be re-used after that time.

Pack 414 and Boys Scouts of America reserves the right to discontinue use of photos without notice.
